7. Dr. P. N. Kala, Former Director Extension Education, SKRAU, Bikaner, suggested that the training programmes organized by KVKs must follow up by impact analysis studies. He also suggested that all KVK should develop IFS module where farmers may learn about integrated farming system and increase their income.
8. Dr. J. P. Mishra, Director ATARI, Jodhpur, Zone -II appreciated the work done by KVKs and celebration of the Golden Jubilee Year of KVKs by actively participation of KVKs employees. He said that Western Rajasthan have the problem about saline soil, saline water and water scarcity therefore, we should think about these problems and our research work must be oriented towards these problems. Dr. Mishra suggested that all KVKs Scientists should publish quality publications. Further, he said that case studies are good for describing, comparing, evaluating and understanding different aspects of a research problems so, each KVK should take at least one case study. Moreover, he said that the farmers of Barmer hire pruning experts from Maharashtra for pruning pomegranate every year, due to which they suffer economic losses, Therefore, he asked to KVK Gudamalani to create local pomegranate pruning experts.
9. The nominated farmer Shri Tulsaram Sinwar, suggested that soil and water testing Mobile Van be made available timely before sowing so that maximum farmers may benefited. He also asked to council, to organize Scientists & Farmers Gosthi at villages.
10. Another nominated farmer Chief CEO of FPO, Shri Hemendra Singh shared his experiences about dragon fruit cultivation and water harvesting to the house. He assured the council for help in any new startup initiation for the farmers/institution by AU, Jodhpur if required.

11. The Hon'ble Vice Chancellor and Chairman of EEC appreciated the different activities of KVKs & DEE and suggested following points:

- a. The KVKs should develop a small crop cafeteria of the new crops at each KVK for demonstration to the farmers.
- b. The Hon'ble Vice Chancellor also advised to make availability of soil and water testing mobile van to the maximum villages of Western Rajasthan so that maximum farmers may benefited. Moreover, he asked to KVK Gudamalani to create local fig and pomegranate pruning experts to save the extra charges of the farmers in its jurisdiction.
